

Manufacturer: Well-Tanker (Anhui) M&E Equipment Co.,Ltd.
Address: Wushan Town Hefei City Anhui Province China

MANUFACTURER'S "EU DECLARATION OF CONFORMITY" FOR DESIGN, MANUFACTURE AND INSPECTION				DOCUMENT N°	
Pressure Vessel		Module	B (Production Type) + C2		
Description	Oil/Gas Separator	Annex II Table	Left Cavity: 2 / Right Cavity: 2		
Design Code	ASME VIII Div.1 2021ED+ PED 2014/68/EU				
		Left Cavity / Right Cavity			
Identification N°	P-2362-001~025	Corrosion allowance (mm)	1.0	1.0	
Manufacturing Drawing n° :	20980145-083-001 Rev.3	Hazard Category	III	II	
Year of manufacture :	2024	Contents	Air	Air,Oil	
		Left Cavity / Right Cavity			
Volume	130	23	L		
Max allowable working pressure (PS at top)	14.4	14.4	bar		
Maximum allowable working temperature (TSmax):	150	150	°C		
Minimum allowable working temperature (TSmin):	0	0	°C		
Safety valve :	Not part of supply	Not part of supply			
Safety valve capacity	N/A	N/A	kg / s		
Safety valve set pressure	N/A	N/A	bar		
Pressure proof test :					
Test pressure :	20.6	20.6	bar		
Date	2024.1.8/2024.1.18	2024.1.8/2024.1.18			
DESIGN					
		Applicable to B (Production Type)			
Notified Body for	Name	SGS Portugal, S.A.			
	Address	Pólo Tecnológico de Lisboa, Rua Cesina Adães Bermudes, Lote 11, n°1 1600-604 Lisboa - Portugal			
design approval or type approval :	Identification number	1155			
	Certificate number	PTC22.06896.5308			
MANUFACTURE					
		Applicable to C2			
Notified Body for	Name	SGS Portugal, S.A.			
	Address	Pólo Tecnológico de Lisboa, Rua Cesina Adães Bermudes, Lote 11, n°1 1600-604 Lisboa - Portugal			
manufacture and inspection :	Identification number	1155			
	Certificate number	See Certificate			
Remark (*) : unit verification, including (for G) design technical documentation review					
QUALITY SYSTEM					
		Applicable to D / D1 / E / E1 / H / H1			
Notified Body for	Name	N/A			
	Address	N/A			
Manufacturer's quality system assessment :	Identification number	N/A			
	Certificate number	N/A	Date	N/A	
The undersigned declares that the design, manufacture and inspection of this pressure equipment conform with the requirements of Pressure Equipment Directive (2014/68/EU) and the above mentioned Design Code.					
Date : 2024.1.18		Name : Jiang Mingxin		Position : QC. Engineer	
Company Stamp :		Signature:
